

General rules

- Entries must have been published in print or online by an Indiana college media outlet during the contest period, Jan. 1-Dec. 31, 2024.
- **The same content cannot be entered in both print and online categories.** An exception would be individual elements. For example: a single photo may be entered in a print category that also appears as part of a larger online slideshow entry.
- Up to five bylines may be included for an entry. More than five will be awarded as Staff.
- Most (but not all) categories allow two different entries.
- Judges may eliminate from consideration any entry not submitted in compliance with the rules or preparation requirements.
- Category descriptions are available [here](#).
- **The contest is free to enter and only for ICPA members.** Renew memberships at icpaconnect.org.

Overall awards

- Winning entries accumulate points that go toward Publication of the Year honors. Placements are allocated points: a first place is 5, second place is 3 and third place is 1. Point totals based on all placements in a division area determine the overall publications or website of the year awards.
